

Directions to Chalet la Moussière

Directions to Morzine from the A40 autoroute

Keep on the A40 until the junction for Cluses. Go through Cluses taking the D902 to Taninges where you should go right at the T-junction in the town centre by the river, direction Les Gets. Still on the D902 (watch for the road bearing left as you are leaving Taninges) keep on through Les Gets towards Morzine. On reaching the outskirts of Morzine you will reach a roundabout, take the 2nd exit (turning left) signpost Thonon.

Keep on this road winding downhill for some time, straight across the roundabout, continue into the valley and eventually bearing left by the Hotel Plangnettes along the valley towards Thonon. Drive through the village of St Jean d'Aulps. As you leave the village the road winds downhill, take the next left turn over the river signpost La Moussière and La Grande Terche.

Follow this road uphill to the crossroads with a cross facing you. Follow the main road to the left and after 200 metres you will reach the centre of the old village just before a church and the right turn to La Grande Terche. Chalet La Moussière is in the left corner of the square on your right.
